## Scottish Singer Jim Malcolm

Sunday, November 21, 2009, 8 PM

\$20 advance/\$24 door

Jim Malcolm, one of the most distinctive voices in Scottish music, returns to the Lyceum for a solo performance. Jim was the lead singer with the Scottish group Old Blind Dogs from 1999 until 2006. In 2004, Jim won awards from the Scots Trad Music Society for Songwriter of the Year and, as lead singer with the Dogs, for Scottish Folk Band of the Year.

In addition to his work with the Old Blind Dogs, Jim has released five solo CDs. His last, *Tam O'Shanter & Other Tales*, included his epic, 15-minute musical version of Burns' wonderful poem. Jim's most recent CD, released last year, featured the songs of Robert Burns.

Jim returns to the Sunspot series this year with a special show celebrating the 250th anniversary of the birth of Robert Burns.

## About the Sunspot Concert Series

Sunspot showcases musicians from the United States and around the globe, representing all styles of traditional and contemporary folk music. Sunspot shows feature musicians who often perform as part of larger groups in larger venues, who have an independent career after leaving another group or who are just beginning their careers. Each show is presented in an intimate setting that allows the performers and audiences to enjoy a close connection not possible in larger venues.

The concerts take place in Old Town Alexandria. Sunspot's primary venue is the 130-seat Lecture Hall at The Lyceum, Alexandria's city museum, which lends its historic atmosphere to the presentation of traditional music. With no seat more than six rows from the stage, The Lyceum provides an ideal meeting place for artists and audiences to share a unique musical experience.
